# Auditory Outreach News

## Back to School!

September is a busy month for you and for Auditory Outreach! We are processing equipment requests as quickly as possible in the order they are received. We appreciate your patience! Please note that incomplete requests result in additional delays. If you have questions about requests or which form to use, please email [lora.baker@sd47.bc.ca](mailto:lora.baker@sd47.bc.ca) or call (604) 414-2637. We look forward to another year of supporting deaf and hard or hearing students and their teams!

## Reminders

- Empty shells for Roger X receivers that have been installed in hearing aids should be stored at the audiology clinic please!
- Including paperwork for returned equipment is greatly appreciated!
- We re-use most cases/equipment and even bubblewrap. Please avoid writing on, or using stickers/labels on any loaned Auditory Outreach equipment.
- There are 2 options for returning equipment to us, Canada Post prepaid envelopes or Loomis online waybills. Please don't mark Fragile as it results in hefty surcharges.

## Did you Know?

Auditory outreach provides in-person and/or virtual audiology, SLP and TDHH outreach consultations to B.C. students who have cochlear implants (CIs). We are experts on the unique needs and skills of students with CIs and help to support students and their teams to optimize learning. Visit [www.auditoryoutreach.ca](http://www.auditoryoutreach.ca) for referral information and forms.
