Had a trainer come to walk them through how to use public transit (bus). There was an earthquake, announcement was made to go under desks. Created lots of learning. Kids will be having a random fire drill coming up while they are on recess. Report cards going out tomorrow. Spring break next two weeks.

6. Unfinished business

- Hoodie design update: no update yet.
- Sushi hot lunch feedback - roll out was March 4. Went well. Good trial, was well received by students. Changed to compostable packaging for us. Volunteers thought it was easy to execute. No plan for the next one yet but will look into a date after Spring Break and do the whole school this time.
- Notice of AGM on May 13, 2025

7. New Business

- Scholarship - Provided to two Brooks grads who are Westview Alumni. Yes we want to continue it. Students write an essay and winner presents it at year end to grade 8's. Jenn will make sure the form goes in the scholarship package.

- Panago school fundraiser: Gotham from Panago reached out with a fundraising idea. Suggestion is for parents to be able to order on a specific date with a code "SCHOOL15" to get a 15% discount and Panago will donate 15% of net sales generated under that code to the school. He would need about 2 weeks to set it up. Will pick a date after Spring Break, so we can send out advertising.
