Geoff Clarke Memorial Scholarship

Before You Apply

Overview:

Geoff was known for going above and beyond his duties to help kids and his legacy for youth will live on through the hearts of those who knew him.

Geoff was passionate about helping youth succeed and strive to reach their potential. He encouraged post-secondary education to many of the youth he worked with. This scholarship is intended **but not exclusively** for youth who have had services from the Ministry of Children and Families in Powell River, B.C. for at least two years who wish to further their education.

Geoff's post-secondary training was in the area of Recreation Management and his passion for the outdoors was always in the forefront of his work with youth in the community. Rotary Club of Powell River Student Bursary

The Rotary Club of Powell River offers two annual bursaries of \$1,000 each to support High School graduates in Post-Secondary education.

Candidates must:

- be residents of Powell River or the qathet Regional District and Grade 12 students at Brooks Secondary School;
- be in good academic standing, and capable of benefitting from the intended course of post-secondary instruction;
- have applied for, and have good expectation of, admission to a post-secondary course;
- not be a candidate for another Rotary bursary; and
- complete **ALL** elements of the application.

The award of a bursary will be conditional on the student graduating from Brooks Secondary School and being accepted into the intended course of post-secondary instruction. Payment will be made once registration is confirmed.

Application and Selection Process

Applicants must complete the attached form in full, and submit it along with:

1. A personal statement of no more than 300 words on the following topic:

*How I have applied the Rotary motto "**Service Above Self**" in my own life and how I intend to positively impact my community in the future.*

2. Written references from two adults who have supervised the applicant in some form of community service.

All applications will be considered by a three-person committee appointed by the Rotary Club of Powell River, which will make recommendations for the award to the Club. In a community such as Powell River, it would be impossible to ensure that no candidate is personally known to any members of the appointed committee, but any such knowledge should be declared before the selection process starts.

Selection of a shortlist will be based solely upon the written applications; the committee may then wish to interview the shortlisted candidates before making a final decision.

The Bursaries will be awarded to those applicants who have best demonstrated commitment to the ideals of Rotary, as evidenced by a record of service to others in the community and by the personal statement.

Membership in the Brooks Interact Club, the student branch of Rotary, is not a requirement for the award, but it does provide an ideal way to demonstrate one's commitment to the ideals of Rotary and we strongly encourage student involvement.
