

## 2025-2026 School Term Program

Underwritten by Old Republic Insurance Company of Canada (Old Republic Canada)

*Every day, students are at risk of being injured -  
whether at school, at home, or anywhere in between.*

Let Insuremykids® help limit your risk.

Insuremykids® protects the financial wellbeing of Canadian families. We offer insurance coverage that fills in the gaps between what provincial health care and employer plans cover.

With over 50 years of experience in the student accident market, we are confident that this product will provide your school district with a valuable and easy-to-recommend risk management tool.

Many families do not know that their School District DOES NOT cover accident costs!

If an accident happens, your district may be prevented from offering financial solutions even if they wanted to. How can the district help the parents if their child has an accident? By letting them know about Insuremykids®. This product can reduce your district's exposure and help you manage the loss.

**We are happy to offer the same amazing rates and policy starting at \$17.00 for 24/7 coverage 365 days!**

We offer 3 plans starting at just \$17 per year. These plans are valid for 365 days and protect families financially 24/7 at school, on the playground, at home, and even at their personal extracurricular activities.
