

HENDERSON CODE OF CONDUCT:

Henderson Elementary School has the responsibility to provide and ensure a safe and positive climate for learning. Our Code of Conduct provides a broad framework of behavioural expectations for students. It is expected that all members of the school community will uphold the underlying principles of the school code which include respect for self, others, property, and the environment. Our Code of Conduct shall apply to all students during any school activity and will hold students responsible for their conduct on the way to and from school or at a school activity. Conduct by any student that adversely affects school climate or operation, shall be considered a breach of the Code of Conduct, warranting appropriate forms of intervention. The Code of Conduct recognizes that as children grow and mature, they are more able to make appropriate decisions and to be responsible for their actions.

STATEMENT OF PURPOSE

The Purpose of our Code of Conduct is to communicate to all members of our school community a clear understanding of the behaviour expectations we have for our students.

We provide Henderson students with a safe and caring learning environment.

We expect Henderson students to respect our school, to respect others and to respect themselves.

CONDUCT EXPECTATIONS

Acceptable Conduct supports a positive learning environment. While at school, going to and from school (including on buses), and while attending any school function at any location it is expected that students will:

- Act in a safe and courteous manner.
- Keep their hands and feet to themselves.
- Attend school and classes regularly and punctually
- Apply themselves to the best of their ability in all aspects of their education.
- Treat all people with respect and consideration.
- Follow the directions and reasonable requests of staff members.
- Dress in a manner appropriate for a learning environment. Shirts with offensive words, slogans or pictures should not be worn.
- Remain on the school grounds during the day unless they have permission from a parent and have checked in with the office prior to leaving.
- Play in the designated areas during recess and lunch.
- Be respectful of the thoughts, feelings and heritage of others.
- Respect the rights and property of others.
- Show respect for the building and playground equipment.
- Report to a responsible adult, incidents of threats, bullying, harassment, violence or intimidation.

Unacceptable Conduct interferes with a positive learning environment. Some examples of unacceptable behaviours include:

- Interference with the learning of others.
- Use of inappropriate or abusive language.
- Any efforts to cause harm or discriminate against another person based on, but not limited to race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, and age.
- Bullying, cyberbullying, harassment, intimidation, threatening or violent behaviours.
- Hitting, Kicking and uncalled for physical roughness.
- Possessing weapons or dangerous articles.
- Possession, use, or distribution of illegal substances.
- Theft of or damage to property.
- All provisions stated in The Human Rights Code

CONSEQUENCES

Minor problems are dealt with on the spot through discussion and reminders of expectations, or the possibility of logical consequences (eg. Misusing materials or equipment could lead to a loss of privileges for a specified period of time). Students who continue to make poor choices in spite of minor consequences, or whose actions fall in the “unacceptable” group will be given escalating time-outs from the playground. This will generally involve a problem-solving session with a staff member during the lunch break. For the most serious of school-level problems at the discretion of the principal (or designate), the consequences may include an in- and/or out-of-school suspension.

PERSONAL DIGITAL DEVICES

Personal Digital Devices (PDDs): refer to any personal electronic devices that can be used to communicate or access the internet, including but not limited to: cell phones, tablets, smartwatches, and handheld video games systems.

- PDDs are to be stored in silent mode from bell to bell, including during instructional time to ensure a focused learning environment.
- At the teacher’s discretion, an exemption may be made when the use of such devices supports a specific curricular objective and is part of instruction. It is generally expected that the use of PDDs, will be extremely limited during the elementary years.
- Students who refuse to comply, will be subject to progressive disciplinary measures which may include: parent contact; confiscation of the PDD; refusal to have PDD at school; and other progressive consequences

As outlined in an Individual Education Plan (IEP,) Learning Support Plan (LSP) or health plan, schools will exempt students from restriction on the use of personal internet-connected device when they are needed for full inclusion in a specific activity.
