**Re:** Approval of Amended Budget

## 1.0 BACKGROUND

In accordance with the *Budget Transparency and Accountability Act* (BTAA), school districts are required to provide the Ministry with electronic and print copies of their amended annual budget. Updated after the Fall recalculation of Operating Grants, this is a Board of Education's legal budget for the current school year.

### 2.0 ADDITIONAL INFORMATION

The amended annual budget is reflective of the service plan adopted in June but updated to reflect current conditions approximately halfway into the school year. Two common variables that are estimated in the annual budget and updated mid year are student enrolment, and salary costs. Examples of other costs to be accounted for, for this year, were the costs associated with the recruitment and section of a Superintendent of Schools and the upcoming school trustee by-election.

## 3.0 OPTIONS FOR ACTION

Option 1 – To approve the 2024/2025 Amended Annual Budget as presented.

Option 2 – Make recommendations for further adjustments to the Amended Annual Budget

## **Discussion topic: Student Suspensions**

## Rationale

- The most recent report to the board indicates 25 <u>out-of-school</u> suspensions during the Fall 2024 semester, a 56% increase over the Fall 2023 semester.
- No <u>in-school</u> suspensions were recorded for either Fall semester. (see attachment)

While the use of suspension has a legitimate place in governing public schools, the most recent research has raised concerns about the nature of our current suspension model and its long-term consequences for our most vulnerable students.

Research into <u>out-of-school</u> suspensions indicates that the overall negative costs to a student's academic success, social engagement, and mental health significantly outweigh any potential benefits of this practice.\*

There is a generalized agreement that <u>out-of-school</u> suspensions constitute a psychological break in one's sense of belonging. We know from experience that an established bond of belonging is one of the most critical elements in overall mental health and well-being, and its disruption is linked to broader issues of drug use, homelessness, violence and acts of extremism.

In contrast, <u>in-school</u> suspensions that follow a restorative model preserve the bond of belonging and provide an opportunity to leverage this power to influence academic, social and mental health in a positive way.

This shift from a punishment-based management model to a restorative model has universal support and more strongly reflects the intention of our Strategic Plan.

## **Possible Motion**

That the Superintendent initiate an inquiry into student suspensions focused on how we might support and fund alternatives to out-of-school suspension.

Re: Review of Select Board Policies

#### 1.0 RELEVANT BOARD MOTION/DIRECTION

Board Policy 10 (Board Policy Making and Review) states that,

"The Board, in cooperation with the Superintendent, shall evaluate each policy in a timely manner in order to determine if it is meeting its intended purpose. The Board shall review its policies following a schedule that results in all policies in the Board Policy Manual being reviewed at least once in a Board term of office."

#### 2.0 BACKGROUND

The Board Annual Work Plan identifies November and February as the months for the Board to review select policies as part of the planned review cycle.

#### 3.0 INFORMATION STATEMENT

Staff have identified three policies to be reviewed in February:

- Policy 7 Board Operations
- Policy 13 Appeals & Notice of Appeal (Appendix)
- Policy 15 Recruitment and Selection of Personnel
- Policy 18 Conveyance of Students

#### 4.0 APPENDICES

- a. Appendix A Policy 7 Board Operations
- b. Appendix B Policy 13 Appeals & Notice of Appeals (Appendix)
- c. Appendix C Policy 15 Recruitment and Selection of Personnel
- d. Appendix D Policy 18 Conveyance of Students

#### **BOARD OPERATIONS**

The Board's ability to discharge its obligations in an efficient and effective manner is dependent upon the development and implementation of a sound organization design. In order to discharge its responsibilities to the electorate of the District, the Board shall hold meetings as often as necessary. An Annual Board Meeting Calendar is adopted by the Board each year. These meetings are normally conducted in-person, however, in extenuating circumstances, with the approval of the Board, a Trustee may participate via video and/or teleconference.

A quorum for District meetings shall consist of a simple majority (School Act, Sec 66). For School District 47, this means there must be a minimum of three Trustees at Board meetings. A Trustee shall be counted as in attendance for the purpose of making a quorum via video and/or teleconference (School Act, Sec 67.7). If fifteen minutes after the appointed time a quorum is not present, the meeting shall stand adjourned to a date in the same month to be fixed by the Chair, or until the next regular meeting. In the event there must be a quorum-initiated adjournment, the Secretary-Treasurer shall record the names of the trustees present at the time of the adjournment.

The Board has adopted policies so the business of the Board can be conducted in an orderly and efficient manner. All points of procedure not provided for in this Policy Handbook shall be decided in accordance with Robert's Rules of Order.

The Board's fundamental obligation is to preserve, if not enhance, the public trust in education, generally, and in the affairs of its operations in particular. Consistent with its objective to encourage the general public to contribute to the educational process, Board meetings will be open to the public. Towards this end, the Board believes its affairs must be conducted in public to the greatest extent possible.

There are times when BC FIPPA legislation requires or when the Board determines that public interest is best served by private discussion of specific issues in "in-camera" (closed to public) sessions.

To carry out its responsibilities effectively, the Board will hold periodic meetings of several types. Formal meetings, at which all formal and legal business of the Board as a corporate body shall be done, may be designated as Inaugural, regular, or special meetings, or closed session.

The Board has adopted specific policy governing Board operation and the conduct of its formal meetings.

- 1. Board Composition and Elections
  - 1.1. Five trustees are elected at large for a four-year term.
  - 1.2. Elections are held the third Saturday in October in election years.
- 2. Inaugural and subsequent annual meetings of the Board

- 2.1. An inaugural meeting of the Board shall be held in November of the year of the election of trustees. Such meeting shall be held at the time, place, and date as determined by the outgoing Board; and if the Board shall not so determine, then such meeting shall be held at the hour of 19:00 in the District office located at 4351 Ontario Avenue, Powell River, BC, V8A 1V3 on the first Monday in November.
- 2.2. The Secretary-Treasurer, or, in their absence, the Acting Secretary-Treasurer, shall call the meeting to order and shall preside at such meeting until a Chair is elected. The presiding official shall proceed to read to the Board the returns of the election, if any, as certified by the Returning Officer and shall then report whether the trustees-elect, if any, have completed the declarations required by the School Act.
- 2.3. After the results of the trustee elections are officially announced, an inaugural meeting will be held prior to the first regular monthly meeting. The purpose of the inaugural meeting shall be to swear-in the new School Board (School Act Sec.50). The Secretary-Treasurer will give notice of the inaugural meeting and preside at it (School Act, Sec 67.1).
- 2.4. In accordance with the School Act Section 50, a person elected or appointed as a trustee must make a prescribed oath of office, by oath or solemn affirmation, before taking their seat on the Board.
- 2.5. The presiding officials shall then call for nominations by ballot for the office of Chair. Any trustee may be nominated for Chair. The presiding officials will then announce the names of trustees nominated by ballot and at that time any nominee may withdraw. If more than one nomination remains for the office of Chair, a vote by ballot shall be taken forthwith. All trustees present at the meeting shall vote. A clear majority of those present shall be required for election. If there is no clear majority on the first ballot, balloting shall continue until a clear majority is achieved.
- 2.6. If for the election of Chair, more than two nominations are received, and if at the first ballot no trustee receives a clear majority, balloting shall continue until one trustee shall have received a clear majority. At each successive ballot the name of the trustee receiving the fewest votes at the previous ballot shall be dropped. If by reason of an equality of votes it is not possible to determine which name shall be dropped, then a special ballot shall be taken for that purpose.
- 2.7. Once the election of Chair has been completed the individual will replace the Secretary Treasurer as Chair for the remainder of the meeting.
- 2.8. At the first regular meeting following the inauguration, and again annually for the duration of the term, there will be an election of the Board's Officers. A Board Chair, Vice-Chair, Provincial Councilor to the BCSTA, and a BCPSEA Representative will be selected by a show of hands vote from the five trustees (School Act, Sec 67.2).
- 2.9. The selection of Vice-Chair shall be conducted in the same manner as the selection of the Chair.

2.10. An annual meeting of the Board shall be held in November of the year in which there is no election of trustees. Regular meeting dates for the following year shall be established at that time.

- 12.3 Where an interpretation is required, the question at hand shall be deferred until the following meeting or, if emergent, to the end of the meeting to allow staff to research the appropriate interpretation based on Robert's Rules. #### **APPEALS**

The Board of Education recognizes the right of a student and/or parent of a student under Section 11 of the *School Act* to appeal a decision of an employee of the Board where such decision significantly affects the education, health, or safety of the student.

This policy deals with employee decisions, which are disputed by a student and/or a parent of the student. The Board believes that addressing such disputes closest to the point where they originate, provides the best likelihood that a satisfactory resolution can be achieved. Hence, the Board encourages informal goodfaith efforts by all involved to resolve such matters. However, if the student or parent believes informal consultation isn't working, and if the decision in dispute is one that could significantly affect the student's health, education, or safety, it may be appealed to the School Board.

The Board recognizes that employee decisions that do not significantly affect the education, health, or safety of a student, are within the final authority of the Superintendent.

The following decisions will normally be considered to be matters that significantly affect the education, health, or safety of a student:

- Suspension from school for a period in excess of ten consecutive days;
- expulsion from an educational program;
- suspension from school for a health condition;
- placement in an educational program;
- grade promotion and graduation;
- a student is not provided with an individual education plan;
- transfer of a student from one school to another for disciplinary reasons;
- refusal to offer an educational program to a student 16 years of age or older; and
- any decision that, in the opinion of the Board, significantly affects the education, health, or safety of a student.

#### 1. Interpretation

For the purposes of this policy, the following interpretations apply:

- 1.1. "Appeal" means a request, to a higher authority, made by a student or parent, that the decision of a Board employee be altered or revoked.
- 1.2. "Appellant" means a student or parent bringing an appeal.
- 1.3. "Board" means the Board of Education.
- 1.4. "Consultation" means a process whereby communication is undertaken, by all the parties concerned, to satisfactorily resolve parent/student/employee concerns without resorting to appeal procedures. Consultation includes the sharing of information, advice, feelings, and interests with respect to resolving the issue(s) at hand.

Adopted: May 18, 2022

- 1.5. "Decision" in addition to its normal meaning also includes the failure to make a decision.
- 1.6. "Notice of Appeal" is a District form, which is completed by the appellant to inform the Superintendent that the appellant would like the Board to consider an appeal. See Appendix "A".
- 1.7. "Parent" means in respect of a student or of a child registered under Section 13 of the *School Act*:

  - 1.7.2. the person legally entitled to custody of the student or child, or;
  - 1.7.3. the person who usually has the care and control of the student or child.

  - 1.8.1. with respect to a student's education, jeopardizes the student's long-term educational progress, and/or contravenes Board Policy and Procedures;

If such consensus cannot be reached the decision will be that of the majority provided the Superintendent is part of the majority.

THAT **BCSTA** request the Ministry of Education and Child Care allocate additional funding to Enhance School District Cybersecurity

#### Rationale

Provide a <u>succinct</u> description of why this motion is needed, plus any relevant background information.

There is an urgent need for increased funding to strengthen cybersecurity measures across school districts in British Columbia. As the threat of a cyberattack on the education sector continues to rise, the safety and privacy of students, staff, and school operations are increasingly at risk.

In recent years, we have seen a concerning rise in cybersecurity incidents, with ransomware remaining the most impactful form of attack. However, other methods of data theft and disruption are also on the rise, with cybercriminals using increasingly sophisticated techniques.

The costs associated with recovering from these attacks are steep. School districts lack the necessary financial resources to both prevent these incidents and recover quickly when they occur.

A recent assessment has shown that school districts in the province are at a relatively low level of cybersecurity maturity compared to the standards set by the Office of the Chief Information Officer (OCIO). The OCIO has strongly recommended increased security measures for School Districts.

## OCIO Call to Action

## Information Bulletin - Microsoft security services. Sent: May 1, 2024

As cyber threats continue to grow, the OCIO is strongly recommending increased security measures for Ministries, Health Authorities, School Districts, and other broader public service. Entities that leverage Microsoft on premise active directory services should implement the following security services as soon as possible.

 Defender for Identities, Defender for Endpoint Servers on server assets, such as Domain Controllers. MFA, Risk Based Access Policies, Privileged Identity Management (PIM)

# Cybersecurity Services In Progress

## Funded Virtual Implementations with Respected Partner

- We have rapidly engaged a respected partner to schedule virtual guided implementations of the Microsoft services that the OCIO recommendations reference.
- The first sessions will run in early June and will walk district tech teams through configuring the Microsoft services that our existing Microsoft 365 A3 licensing gives access to. These are the baseline configurations that every district should have in place.
- Further sessions will cover the more advanced recommendations.

# Cybersecurity Services In Progress

## Incident Response

- We are discussing Incident Response Retainer Services with the top DFIR service providers with the goal of providing a consortium approach to the IR that school districts would have access to
- Incident Response Planning work is already underway to assist school districts in creating their own IR plan
