
BRITISH COLUMBIA EVERGREEN CERTIFICATE

Background

The District is required by the Ministry of Education and Child Care to develop and make available to parents an Administrative Procedure setting out the requirements a student must meet for the District to recommend the British Columbia School Completion (“Evergreen”) Certificate. The School Completion (“Evergreen”) Certificate is intended to celebrate success in learning that is not recognized in a Certificate of Graduation (Dogwood Diploma).

A student enrolled in an educational program other than the graduation program will be eligible for a School Completion (“Evergreen”) Certificate. When a student with disabilities or diverse abilities and an Individual Education Plan (IEP) has met the requirements of the School Completion (“Evergreen”) Learning Plan, the District will recommend to the Ministry of Education and Child Care that they receive this certificate.

Definitions

The School Completion (“Evergreen”) Certificate is a document awarded by the Ministry of Education and Child Care to students with disabilities or diverse abilities and an Individual Education Plan (IEP), who have met the goals of their education program, **other than graduation**.

School Completion (“Evergreen”) Learning Plan is a locally developed document designed to record the completion of individualized education program goals and demonstrate the experiences, achievements, qualifications, and skills of a student.
