

PIE KINDERGARTEN STUDENT LEARNING PLAN

Name:

- It is expected that all students will be striving to meet the BC Ministry of Education learning standards specific to the subject and grade indicated on this form
- The learning standards can be found at the following website <https://curriculum.gov.bc.ca/curriculum>
- Assessment will consist of two formal learning updates and one formal summary of learning and at least two informal updates (which could include conferences with a teacher, and phone calls or emails from a teacher)

Subject	Topics	Planned Strategies & Resources	Changes
Language Arts (2016 Big Ideas)	<ul style="list-style-type: none"> • Language and stories can be a source of creativity and joy. • Stories help us learn about ourselves and our families. • Stories can be told through pictures and words. • Everyone can be a reader and can create stories. • Everyone has a unique story. • Playing with language helps us discover how language works. • Listening and speaking builds our understanding and helps us learn. 		
Mathematics (2016 Big Ideas)	<ul style="list-style-type: none"> • Number represents and describes quantity: Quantities can be decomposed into smaller parts. • Developing computational fluency comes from a strong sense of number: One-to-one correspondence and a sense of 5 and 10 are essential for working with numbers. 		

	<ul style="list-style-type: none"> • We use patterns to represent identified regularities and to form generalizations: Repeating elements can be identified. • We can describe, measure, and compare spatial relationships: Objects have attributes. • Analyzing data and chance help us to compare and interpret: Familiar events can be described as likely or unlikely. 		
Social Studies (2016 Big Ideas)	<ul style="list-style-type: none"> • Our communities are diverse and made of individuals who have a lot in common. • Stories and traditions about ourselves and our families reflect who we are and where we are from. • Rights, roles, and responsibilities shape our identity and help us build healthy relationships with others. 		
Science (2016 Big Ideas)	<ul style="list-style-type: none"> • Plants and animals have observable features. • Humans interact with matter every day through familiar materials. • The motion of objects depends on their properties. • Daily and seasonal changes affect all living things. 		
Physical and Health Education (2016 Big Ideas)	<ul style="list-style-type: none"> • Daily physical activity helps us develop movement skills and physical literacy, and is an important part of healthy living. • Learning about ourselves and others helps us develop a positive attitude and caring behaviours, which helps us build healthy relationships. • Knowing about our bodies and making healthy choices helps us look after ourselves. • Good health comprises physical, mental, and emotional well-being. 		

<p>Arts Education (2016 Big Ideas)</p>	<ul style="list-style-type: none"> • People create art to express who they are as individuals and community. • Engagement in the arts creates opportunities for inquiry through purposeful play. • Dance, drama, music, and visual arts express meaning in unique ways. • People connect to others and share ideas through the arts. 		
<p>Applied Design, Skills, and Technologies (2016 Big Ideas)</p>	<ul style="list-style-type: none"> • Designs grow out of natural curiosity. • Skills can be developed through play. • Technologies are tools that extend human capabilities. 		
<p>Career Education (2016 Big Ideas)</p>	<ul style="list-style-type: none"> • Confidence develops through the process of self-discovery. • Strong communities are the result of being connected to family and community and working together toward common goals. • Effective collaboration relies on clear, respectful communication. • Everything we learn helps us to develop skills. • Communities include many different roles requiring many different skills. • Learning is a lifelong enterprise. 		

Role of the PIE Student

- when appropriate, participate in the development of Student Learning Plans (SLPs)
- request help from their home facilitator (parents/caregivers) and/or their teacher when they need it
- work to the best of their ability in all of their required areas of study
- learn what makes them love learning

Role of the Parents/Caregivers - The Home Facilitator

- take on the leadership in facilitating and planning the day-to-day delivery of the curriculum collaboratively decided upon in the initial planning meeting with your child's assigned teacher(s)
- participate in, and approve of, the documentation of the curriculum materials and learning strategies chosen, for each school year, in the student's SLP
- request help from staff if problems with progress or materials arise for the student
- maintain regular contact with staff to continually support student progress
- participate in assessment conferences and/or provide portfolios of student work for assessment
- most importantly, celebrate the student's successes

Role of the PIE Teachers

- collaborate with parents, and when appropriate students, to develop SLPs
- conduct student assessments
- organize and direct activities and field trips
- supervise delivery of coursework
- assist parents when problems with progress or materials arise
- maintain regular contact with enrolled families and provide continuous support and encouragement

Role of the PIE Learning Support Teachers

- collaborate with parents, students, and teachers to develop Inclusive Education Plans (IEPs) for students with disabilities and diverse abilities who have learning support designations
- arrange learning support (i.e. learning assistance, counselling, school psychology, speech-language pathology, and physiotherapy/occupational therapy) to help students meet the goals and objectives outlined in their IEPs.
- collaborate with the PIE administrator to oversee the learning support funding for each student throughout the year
- support teachers and families of students with disabilities and diverse abilities throughout the year with challenges, changes, needs
- perform standardized achievement assessments, as required, for students referred to the learning support department
- maintain regular contact with enrolled families and provide continuous support and encouragement

Role of PIE Admin

- act as liaisons between enrolled families and the school district
- advise families and PIE teachers on the development of Student Learning Plans
- organize and direct activities and field trips

- oversee the provision of invigilated online course quizzes and tests and make arrangements for student participation in provincial assessments
- approve curricular materials
- approve and supervise delivery of coursework
- provide families with information via email and newsletters
- answer questions or concerns about PIE
