Re: Support for City of Powell River's Application – Accessibility Grant

Please accept this letter of support for the Accessibility Grant application being submitted by the City of Powell River in order to install an automatic sliding door entry way at the front west entrance of the Recreation Complex.

We believe this upgrade would be a great asset to all our citizens in Powell River. It would allow those with mobility issues and those carrying heavy gear to enter the complex with ease.

We support the City of Powell River's application and are hopeful it will be met favourably.

Yours truly,
