Powell River, BC

Dear Mayor Formosa and Council Members,

Re: #AllOnBoardCampaign

The Powell River Board of Education has moved to support the #AllOnBoardCampaign (<https://www.allonboard.ca>) through the B.C. Poverty Reduction Coalition.

The campaign is aimed at providing free bus fare in Powell River to children 0-18 and for the cost of monthly passes to be on a sliding scale based on family income. Our Board is taking the lead from our Youth who have brought this issue to our attention. It is our hope that the City can endorse this campaign and work with other levels of governments and the transit authorities to make this a reality in Powell River.

Please let us know how we can work together to move this campaign forward.

Sincerely,
