Release of Information and Parental Permission

Name of Student:	Last		First	
------------------	------	--	-------	--

I PERMIT:

- My child's name and/or photo to be used in any school publications including web pages for the internet.
- My child to be included in any media coverage of a school event
- The school to disclose my name, phone number, mailing address, and my child's name to the PIE Parent Advisory Council for the purpose of school related communications.
- My child to participate in local field trips.
- My child to access the internet in support of their education.

AND ACKNOWLEDGE:

- That schools have the obligation and right to share demographic information with Provincial Health and Social Service agencies.
- That schools have the responsibility to investigate all threatening behaviour.

Note: If you take exception to any of the above, please discuss your objections with the Principal. If you/your child would like a photo removed from the PIE website or the Facebook group, please don't hesitate to contact Stephanie Hall and the photo(s) will be removed as soon as possible.

The information collected on the student registration form, and ongoing information regarding student progress and assessments, is collected under the authority of the School Act, in a web based format. The information is used for Ministry of Education reporting: demographic, enrolment, budget, facility, transportation, and operational analyses. It will be kept secure and confidential in accordance with the Freedom of Information and Protection of Privacy Act. Except as noted above, personal information will not be release to a third party in a recognizable form without your permission.

By signing this form you agree to the selections indicated on the online PIE Registration Form regarding CASL, Photos, the PIE Facebook Group, and students using non-Canadian Internet Services.
