We are off to a great start in the 2019-2020 school year. Despite some delays in getting access to our online courses, the final move to the new curriculum (for grades 11-12) is now complete. We would like to take this opportunity to welcome new PIE teachers Rob Webb and Jenna Adema, as well as welcome back Kersten Wuthrich. On behalf of the PIE staff, we'd also like to welcome our new families, and welcome back our returning families, to the new school year. We are looking forward to working with all of you. Please don't hesitate to contact us—we're happy to help!
