Welcome and Welcome Back to PIE for the 2021-2022 School Year!

With the blur of September and the relative calm of October behind us, we are now in the thick of our first-term report visits and report cards in November-December. Staff and students have been enjoying Interaction Day events in Powell River and the Comox Valley. Comox Valley staff and students have been grateful for the ability to return to indoor events in the Tsolum building after a year of only outdoor events. Please don't hesitate to contact your family's teacher if you have any questions or concerns.
